PRESIDENT'S MESSAGE

Gladys Coia, Esq.

President, Greater Miami Shores Chamber of Commerce

Spring is here, and the Chamber is very excited to present its first ever golf tournament! This tournament is designed to bring the community and business members together for a fun-filled afternoon of golf, food, drinks, and an overall good time on a Friday afternoon. This also presents a great opportunity to showcase your business to the community through our different sponsorship levels. There will be a dinner buffet and silent auction after golf, so even if you're not a golfer, you can still come out and enjoy the fun! We are looking for volunteers to serve on our Host Committee, if you are interested in helping to make this a signature Chamber event, please contact the Chamber offices at 305-754-5466 or chamberinfo@miamishores.com. Registration and sponsorship information on page 4.

On a different note, the Chamber held its Annual Dinner on March 15 to honor the Citizens of the Year, the Public Works departments of Miami Shores, Biscayne Park, El Portal and North Bay Village. This year's dinner was well attended and great fun! We again thank all the individuals in

the Public Works departments of our Villages for the great job done in the aftermath of Hurricane Irma, and for the great job they continue to do to keep our Villages beautiful.

Lastly, we want to thank all of the people involved in the production and presentation of Plaza 98. This monthly event was made possible by the hardworking individuals of the Downtown Advisory Committee, the Village of Miami Shores, the Miami Association of Realtors, the Miami Shores Community Alliance, Quick Build, Street Plans, and Don't Look Down Productions. The last of the scheduled Plaza 98 events was held on March 10. Many residents have expressed their desire to continue this event, we can do so only with the help of volunteers. If you are interested in volunteering so we can keep Plaza 98 going, please contact Megan Gerstel at the Chamber office.

I look forward to seeing you at the golf tournament!

ART MATTERS

By

**SUSAN
ACKLEY**

**Artists' Studios ART MATTERS
OPEN STUDIOS,
Sunday April 21st, 3-8PM.**

Inspiration and creativity flourish in the Fountainhead Studio's nurturing environment. A 'Fountainhead' is the 'origination of something', and the name chosen by Kathryn and Dan Mikesell, studio's founders.

It is also a favorite novel by Ayn Rand, portraying a fervently-independent, architect rebuking classical-style traditions.

Only twice a year the studios open to the public, and the Spring Event is just weeks away!

April 21st, 3-8PM, 7338 NW Miami Ct, Miami, FL 33150.

Celebrating its 10-year anniversary as the Pioneering, Northward-First to the Little River Business District.

Over 30 artists' works will be on display including paintings, sculpture, fabric art and photography. The opportunity to speak directly with each artist will increase your appreciation of their artistic motivation and messages. Their execution methods will also influence your appreciation. You may take your purchase home or arrange a convenient pick up in the following week.

The artists will be on-site and their works for sale. Interior Designers are urged to stop by and browse with their clients in mind. New Home-Owners are also welcomed to the neighborhood and will be inspired for their new home decorating needs.

Drop by at your convenience during the OPEN STUDIO hours. Plenty of FREE parking in the lot, no reservations are needed.

Over 30 affordable studios allow artists the opportunity to have low-cost, professional work-spaces with their peers. This co-working environment sparks cross-pollination of ideas, constructive critique and open discussions of each-others' inspiration and execution. Flexibility is an extra benefit providing artists the convenience of sub-leasing their space or taking a sabbatical, accepting an out-of-city artist residency.

Kathryn and Dan Mikesell are art collectors, enthusiasts and artist sponsors. They are inspired by artists visions and their incredible way of looking at our world. "They open our eyes to possibilities and are courageous, exhibiting their work for all to appreciate or judge and critique."

GREATER MIAMI SHORES SCHOOLS REPORT

The Greater Miami Shores Chamber of Commerce welcomes submissions for this column by all schools that are Chamber members, whether public or private. To find out about submitting information on behalf of your favorite school, please contact the Chamber at 305-754-5466.

THE CUSHMAN SCHOOL

#ONEMOREPARENT

The Cushman School recently launched its #ONEMOREPARENT movement, which provides parents with tangible actions they can do in their homes to ensure a healthy growth mindset in their children. In response to our country's epidemic of violence, increasing childhood anxiety, depression and isolation, this movement is meant to instill empathy and love by preserving childhood and foster greater connections among family members while eliminating violence and minimizing excessive use of electronics. Interested parents are asked to sign the #ONEMOREPARENT pledge, which includes acts like: disposing of violent video games, eating at least one meal a day together when possible and monitoring social media accounts (middle and high school students). Cushman's Head of School, Arvi Balseiro, explains that this methodology has always been part of Cushman's culture, but the recent school shootings in Parkland promoted the school's administration to create this platform to initiate action among Cushman parents and to share with other parents in our community. One of the first #ONEMOREPARENT events at The Cushman School was the "Violent Video Game Toss" that

took place on Friday, March 2nd.. The media covered that toss extensively and many parents have expressed their gratitude. Ms. Balseiro also delivers research-based #ONEMOREPARENT tips each week to support this movement. For more information, visit cushmanschool.org.

Working together, they discussed what common interests they may have with these elder members. The one thing all groups agreed on, is that shut-ins, like them want to feel loved and remembered.

The CLP members set about decorating potted plants with bright colors and messages that would bring a smile to the faces of the elderly shut-in, and remind them that someone is always thinking of them. being invited to States! The team competed against other parochial, private, public and charter schools at the University of Miami and brought home 10 competition medals! We are extremely proud of their success and thank Ms. Mesidor for her unbelievable dedication to the team and the middle school science program.

In addition to Science Olympiad success, Ms. Mesidor was proud to announce that several SRL students were selected to participate in the South Florida Regional Science and Engineering Fair. Rodrigo Aponte, Hannah Brewster, Maximo Diaz, Danicka Joseph, Nicholas Perikles, Isabella Puglisi and Gabriela Muriel were those selected to showcase their projects. St. Rose 8th grader, Gabriela Muriel, was selected as a State Finalist and chosen among the top 10% Science Fair Participants in the Nation for her project Paraplegics Achieving Stability in the Vertical Wind Tunnel. SRL continues to THRIVE!

St. Rose of Lima students aren't the only ones busy showcasing their achievements. SRL hosted the Archdiocese of Miami Professional Development Day for 275+ Miami-Dade Catholic school teachers. It was a wonderful day of collaboration as they explored innovative and research-based methods to further differentiate classroom instruction for all learners. Catholic education is flourishing in the Archdiocese of Miami!

LAST WORD

The sprites of the fruits,
 and flowers, and leaves,
 They had long been out at
 play...
 But the stirring blast that
 clarion cast,
 Oh, it broke their holiday!
 And they hurry home at
 their topmost speed,
 Flurried and flushed with
 the sudden need,
 Sprinkling the earth as they
 pass along
 With a flood of colour and
 gush of song
 For the Summer is coming
 to wed the Spring,
 And earth on their altar her
 wealth shall fling,
 And the Heaven's soft
 odours and breezes bring,
 And the hollow heights and
 the depths shall ring
 With a wild overgushing of
 gladdening...
