By the time you read this Green Day will be just a few days away. The Green Day committee has been volunteering long hours to make this event a huge success. On Saturday, November 3rd, make sure to head down to NE 2nd Ave with your friends and family for what will surely be the best Green Day to date!

In other news, check out the new sculpture garden that was just installed at Optimist Park. You can meet the artist, Alberto Cavaleri, on Sunday November 11, from 11 am - 2pm.

On Thursday, November 15 from 7:00 - 8:30 am, the Shores Leads and Referral Group

is having another business networking event at Coté Gourmet.

These events have been very successful and have sold-out quickly, so make sure to register as soon as possible. See page 7 for more details.

And finally....the ever popular Plaza 98 is coming back! The first event will be held on Saturday, December 8, from 5:00 - 8:30 pm. Plaza 98 will continue on the second Saturday of every month through April.

Mima Market. Locally Sourced, Responsibly Produced Artisanal Products

The new Mima Market goes beyond a pasta shop - it's a celebration of the artisan movement of South Florida. Visit this sleek and stocked store downtown to find food, drinks, home goods, and gifts made by talented chefs, artists, and producers in the area. It's the passion of artist Alexandra Palomino and teacher Raul Parra Orizondo.

At Mima Market, discover tasty popcorn from Boca Raton and big cookies from Little River. Pick up ravioli rolled in MiMo with bread and coffee perfected in Lemon City. Sip fruity tropical juice from Hialeah, or kombucha and wine from Homestead. Savor empanadas baked in Buena Vista! How about tea and jam from Coral Gables, or granola from Hallandale Beach? Treat yourself to soy candles poured in the Design District & dark chocolate from North or South Miami. You can gift soap from Key Biscayne, wooden spoons from Morningside, ceramics from Miami Shores, with a lovely card made in

Hollywood. There are even vegan meals, such as soy-free tempeh, innovated throughout this Magic City.

Why local? Mima Market supports the local economy, as well as aims to limit its carbon footprint. Raw honey is symbolic of their mission: produced locally, a sweet treat (imagine Key Lime, lychee, orange blossom...), and packed with goodness!

Stop by for ready-to-eat lunch and snacks or pick up something on your way home with daily specials: Monday's free organic coffee with purchase; Tuesday get your third bag of fresh pasta free, or your

weekly South Indian meal by Annam; Wednesday discount when you refill your own honey jar; Thursday make your own craft beer six-pack, 35% off! And kids get discounted cookies and ice creams weekdays after school, 3-5PM.

South Florida Symphony

Traditional and Adventurous Symphony Orchestra

How can a 20-year old symphony be new? Now in its 21st season, South Florida Symphony Orchestra (SFSO), originating in Key West has been active for 20 years in Broward and Boca Raton. The Symphony is now in its fourth year bringing world class concerts and soloists to the Arsht Center. It returns this year with a familiar story of love, loss and despair, presenting the iconic Gershwin opera, Porgy and Bess. This presentation brings a new approach to the staging which includes the full orchestra as part of the set. A spectacle, using 3-D renderings from the original sets, brings new technology and cutting-edge visuals to this favorite standard.

Extending its Miami entrance, the symphony will also perform at Temple Israel of Greater Miami. Founder and Maestra Sebrina María Alfonso envisages the Symphony enhancing the lives of residents and visitors alike, bringing vibrance to the South Florida cultural landscape through refreshing repertoire mixing old masterworks and newer, edgier material.

The SFSO has been hailed as

“a world-class orchestra” by CBS Radio.

Performing prominent composers’ works, such as Beethoven, Berlioz, Debussy, Mozart, Rachmaninov, Ravel, Rimsky-Korsakov, Shostakovich, Stravinsky, Tchaikovsky and Vivaldi, the Orchestra also ventures to more modern composers, Leonard Bernstein, Aaron Copland, Michael Daugherty, Ellen Zwilich, Tom

Hormel, and Lisa Nardi.

With an additional ‘nod’ to modern, the orchestra has veered to Martha Graham’s contemporary dance, and Siudy Flamenco Dance Theater.

Enlivened and informative pre-concert chats are presented by music master, Ian Fraser. 20-minutes in length, prior to the performance, he introduces the

MIAMI COUNTRY DAY SCHOOL is proud to announce the hiring of its seventh Head of School, Mariandl Hufford, effective July 1, 2019. The Board of Trustees unanimously approved Hufford's appointment, replacing the interim Head of School, James Connor.

"Mariandl is the perfect Head of School for Miami Country Day. She has an outstanding national reputation and will bring a special kindness and a love for independent education to our campus," Board of Trustees President and Search Committee Co-Chair, Christopher Bellows, said.

Hufford currently is Assistant Head of School and Director of the Center for the Advancement of Girls at the Agnes Irwin School in Rosemont, PA. She has previously served as a teacher, a school counselor, and director of support services and the center for learning, teaching, and professional development at the Woodlynde School in Strafford, PA.

Hufford graduated from Bryn Mawr College in 1986 with a BA in Classical Studies. She holds masters degrees in Teaching and Curriculum, Educational Leadership, and Psychological Services, the first from Harvard University and the latter two from the University of Pennsylvania.

"Mariandl brings to our school outstanding experience as a teacher, counselor, and senior administrator. I look forward to partnering with her to provide the Miami Country Day community with the finest independent school experience possible," President Gary Butts said.

In October, 6th and 8th graders had the privilege of hearing stories from a few of the 14,000 children who were allowed to leave Cuba as a part of Operation Pedro Pan, without their parents, during the early years of the Castro revolution. Operation Pedro Pan (coined by a Miami Herald reporter and inspired by Peter Pan) was the largest exodus of unaccompanied children in the Western Hemisphere. Students learned about how all private schools were nationalized and that many of the children their age were placed in the military, among other facts and figures.

MIAMI SHORES PRESBYTERIAN CHURCH SCHOOL (MSPS) At Miami Shores Presbyterian Church School (MSPCS), as part of their Friendship theme, elementary students wrote reviews on their favorite books. Book Review: The One and Only Ivan by Catalina Suniga, Third Grade:

The One and Only Ivan is a book based off a true story. I would recommend this book for 3rd grade up to 6th grade. This book is about a gorilla named Ivan. He was living a good and happy life in the wild until humans came and took him and killed his family. They took them in a van and harmed them. Luckily, Ivan was able to escape. Then, began Ivan's life. Ivan was adopted by a man named Mack. He lived like a baby human inside Mack's home. Ivan had to move because he got too huge to Mack's home. Then they brought him to a tiny domain in the Big Top Mall.

The One and Only Ivan is a book about friendship. Ivan never gives up. Ivan has a best friend named Stella. She died one day. Then a new elephant came to the Big Top Mall. Her name was Ruby. Ivan had to face taking care of this new elephant and try to get out! I don't want to spoil it for you. Find out what happens in The One and Only Ivan. ST. ROSE OF LIMA CATHOLIC SCHOOL joined thousands of schools across our nation to celebrate International Peace Day. The students gathered early in the morning to sing, recite poetry and

pray together in observance of world peace. Our children were reminded of the importance of kindness with each other, while at home and within our community.

Each year, the first Monday of October is World Day of Bullying Prevention. On this day students, schools, and communities all over the world go BLUE together against bullying. It also kicks off National Bullying Prevention Awareness Month. St. Rose of Lima School joined in solidarity to stop bullying and cyberbullying! Students, teachers and staff wore blue colored shirts and stood united against bullies. In honor of National Bullying Prevention Awareness Month SRL students also committed to a 28 day kindness challenge. Each student kept a journal recording at least one random act of kindness each day. SRL students know that kind people find joy in the act of giving and helping other people. Kindness is contagious!!

Congratulations to the SRL boys' varsity volleyball team on their undefeated season! Let's wish them luck as the head to playoffs in the coming weeks.

COMPREHENSIVE STROKE CENTER

at North Shore Medical Center

A Higher Level of Stroke Care

With some of the latest technology in healthcare, we have *redesigned* North Shore Medical Center to provide a higher level of care with confidence. Part of the redesign includes our commitment to constantly improve the medical care and services we provide to our community.

WHAT DOES A COMPREHENSIVE STROKE CENTER MEAN FOR OUR COMMUNITY?

By becoming a Comprehensive Stroke Center, North Shore Medical Center will now be able to provide advanced stroke treatment without having to transport the patient outside of the area. Approximately 1.9 million neurons die each minute when stroke is left untreated. Time is critical when someone is having a stroke, and faster treatment may result in less brain cell loss for a better recovery and less disability.

**At North Shore Medical Center,
your health is our priority.**
