Celebrating 60 Years of Keeping Our Community Informed!

PRESIDENT'S MESSAGE

Gladys Coia, President, Greater Miami Shores Chamber of Commerce

On February 9th, the Chamber of Commerce will come together for our Annual Dinner. Not only is this one of our best attended events, it is also our most anticipated and festive.

Since 1968, the Chamber's board has honored a "Citizen of the Year" at the Annual Dinner. This year, for the first time, this cherished community honor will be awarded posthumously to both Dr. Susan Dombrowsky and Jerry Estep. Our community lost both of these outstanding leaders in 2016. Mr. Estep was the Miami Shores Recreation Department director for many years. He was also a member of our Board of Directors and a long-time Green Day committee participant. Dr. Dombrowsky, a long-time Miami Shores resident and Miami Shores physician, also served as a past President of the Chamber. Both of these respected Miami Shores advocates have left a lasting legacy for our community. Learn more about them on page 5.

We hope that you will join us and the families of our honorees to reflect on the legacies of these two great citizens, leaders, and tireless volunteers. Tickets are \$100 and are available online at www.miamishores.com or by calling the Chamber at 305-754-5466.

See the complete list of past award recipients and check out photos from previous dinners online at www.miamishores.com under the "The Chamber/About the Chamber/Citizen of the Year" tabs.

I hope to see you then.

HONORING THE LEGACY OF CITIZENS OF THE YEAR ...

Greater
Miami Shores
Chamber of Commerce

2017 ANNUAL
DINNER

SUSAN DOMBROWSKY

JERRY ESTEP

On Thursday, February 9th, the Greater Miami Shores Chamber of Commerce will hold its Annual Dinner. This festive and well attended event is usually the pinnacle of the Chamber's year and programming. The evening begins with our Annual Meeting at 5:30 p.m., which is open to all members and provides you with an opportunity to ask questions of Chamber leadership and hear about plans for 2017.

At 6:30 p.m., attendees will gather for complimentary hors d'oeuvres and a cash bar. Dinner is served at 7:30 p.m. All events are being held at the Miami Shores Country Club, 10000 Biscayne Boulevard in Miami Shores. Tickets are \$100 and a table of eight is \$750.

Each year at our Annual Dinner we honor the "Citizen of the Year". This year we selected two community treasures who unfortunately left us in 2016, Susan Dombrowsky and Jerry Estep.

The late **Jerry Estep** served as Recreation Director for Miami Shores Village from 2000 until his untimely death this past June. Prior to that Jerry oversaw the Recreation and Parks Department for the city of Hollywood for seven years and held a similar position for nine years in Gulfport, Mississippi. He

was born in Roswell, New Mexico in 1953, raised in Gulfport, and was a graduate of the University of Southern Mississippi. An avid fisherman, he and his wife, Miami Shores Village Clerk Barbara Estep, were frequent visitors to the Florida Keys. He served as a board member for the Chamber of Commerce as well as being a member of the Green Day Committee.

Susan Clifford Dombrowsky, MD, was born on October 14, 1943 to William Clifford, M.D. and Kathryn Clifford who moved their family to Miami Shores in the 1960's.

Susan, the eldest of eight children, followed her father's footsteps into medicine. She went to University of Miami Medical School, at a time when women did not. She became the doctor for generations of families she treated from her Miami Shores practice. All of her patients would agree (including the ones she stitched up in her kitchen) that she was a gifted diagnostician and ultimately a true healer.

To Susan, family and education were paramount. Through her hard work, she ensured that she was able to travel the world with her family—never fancy, but always fun with an educational purpose. Susan and her husband Alan also made

sure that every evening they shared supper together—interrupted only for educational purposes as she sent one of the boys to fetch the Encyclopedia Britannica or Oxford Unabridged Dictionary.

Susan also believed that one must also give back to the community. In addition to serving her generations of patients, Susan was also an active participant in a number of national and local charities too numerous to list. Susan also sat on the Barry University Board of Trustees and later on the Doctors Charter School Board. Notably, Susan was Miami Shores Chamber of Commerce President in 1989, a time when she had a thriving medical practice, and three school age sons. Those who knew Susan would agree that she possessed a work ethic, energy, and dedication paralleled by few. Her legacy will love on through her family, her patients, and anyone who selflessly gives back to their community. She passed away on July 12, 2016.

We hope that you will come out and help us honor the families of these two great Shores legends on February 9th!

GREATER MIAMI SHORES SCHOOLS REPORT

The Greater Miami Shores Chamber of Commerce welcomes submissions for this column by all schools that are Chamber members, whether public or private. To find out about submitting information on behalf of your favorite school, please contact the Chamber at 305-754-5466.

Miami Country Day School will be hosting several art exhibits and receptions in the new year. A new exhibit featuring the works of Gavin Rain and Paul Rousso will be on display beginning February 23 through March 31 with a cocktail reception on February 25th. All exhibits and receptions will take place in the school's Taplin Gallery located at 601 NE 107 St.

Sponsored by the Independent Schools of South Florida (ISSF), author and Florida historian, Arva Moore Parks, was at

The Cushman School on January 12th, speaking about the impressive history of our city. Her many published works include: *Miami Then and Now*; *Miami, the American Crossroad: A Centennial Journey, 1896-1996*; and *Miami, the Magic City*. Mrs. Parks pointed out that Miami is a city rich with visionaries and cultural diversity as well as a tolerance for change, having seen so much evolution over the years. It is also the only major U.S. city founded by a woman, Julia Tuttle.

Just like its home city, The Cushman School was founded by a female visionary; Dr. Laura Cushman who began the school on her front porch in 1924. During this roaring decade many were lured to South Florida's tropical lifestyle and immense opportunities, and Dr. Cushman migrated here to lay the foundation for an innovative type of education. Fast forward 90 years, and we've seen both Miami (and Cushman) blossom. Cushman has enjoyed tremendous growth and has been a major contributor to the beautification of the

Biscayne Corridor. Having acquired the building at 6000 Biscayne which is now home to the school's Innovation Center and the 4700 building which is the site of the new Cushman High School as well as many properties in between, Cushman is proud of its role within our international metropolis.

Miami Shores Presbyterian Church School (MSPCS) is excited to announce the opening of their new STEM Lab. Thanks to the MSPCS Parent Association and generous donations from several families, the elementary students will benefit from a rigorous and hands on STEM curriculum. MSPCS would like to give a special thank you to preschool parents Thomas Gantt and Juan Del Hierro, without their kindness and generosity the STEM Lab would still be a dream in the making.

MSPCS is also very excited to have expanded their preschool with an additional three classrooms, and is now

enrolling children starting at 6 weeks old. The babies and young toddlers are a joyous addition to an already loving school. The remarkable growth that MSPCS is experiencing can be attributed to the

families in the community that choose to call MSPCS home for their children. A huge thank you to everyone in the MSPCS community.

The Miami Shores Elementary PTA

Pledge Fund Committee recently began its annual donation drive. Each year, parents and community members come together to support the important MSES initiatives funded by this drive. This year, donations will be used to continue school technology updates. All funds collected will go toward purchasing new laptops for students to use both during classroom instruction and during standardized testing. Donations can be made online by clicking the "Donate" button found on the MSES PTA website: www.msesh-my-pta.org. The MSES PTA greatly appreciates your donations.

Doctors Charter School of Miami Shores

is extremely excited to announce that this year's Evening in the Courtyard,

"An Evening of Celts and Kilts," will be Friday, March 24th at 7 p.m. at DCS.

This year's live entertainment, "Celtic Mayhem" will entertain us with their musical whimsy. They are always one of the lead performers at the South Florida Renaissance Festival, Boynton Beach Pirate Fest, and Camelot Days. In addition to witty and often humorous Irish folk tunes, they play a varied assortment of classic and pop rock songs in their sets – adding a crowd-pleasing Mayhem twist to every performance. You can also check out their multiple videos on YouTube. If you are interested in sponsorship opportunities for Evening in the Courtyard, please contact PTSA@doctorscharterschool.org. All donations are tax deductible and are used to benefit Doctors Charter School. BISCAYNE PARK WELCOMES NEW ELECTED OFFICIALS

TRUPPMAN

JOHNSON-SALDANA

TUDOR

Biscayne Park recently held municipal elections and elected three new Commissioners. Chosen were Tracy Truppmann, Jenny Johnson-Saldana, and William Tudor. They join holdovers David Coviello and Roxanna Ross. When the commission came together at its re-organizational meeting Ms. Truppmann was chosen as Mayor and Mr. Coviello was selected as Vice Mayor.

Mayor Tracy Truppmann grew up in Miami, Florida. She is a graduate of Tulane University, where, in 1983, she received a Bachelor of Science degree in Physics and a second Bachelor of Science degree in Engineering. She has worked in various engineering fields, including

telecommunications, acoustics, and environmental engineering. For the past two decades, she has worked in academia on various research projects, National Science Foundation and other federal grants, as well as State of Florida grants, unique curriculum programming, and professional development. She has previously served the Village of Biscayne Park as Chairperson of the Ecology Board and Vice-Chairperson of the Recreation Advisory Board.

Commissioner Johnson-Sardella has lived in the Village of Biscayne Park for the past five years. Originally from New York, she graduated from New York University and Brooklyn Law School. She initially worked as a prosecutor at the King's County District

Attorney's Office. After 9/11, she relocated to South Florida and received an LLM from University of Miami in Real Estate Law. She is currently a partner in a boutique law firm, where she practices securities law, intellectual property law, and complex litigation. Commissioner Johnson-Sardella served on the Code Compliance Board and Charter Review Advisory Board prior to being elected Commissioner.

Commissioner William Tudor was born and raised in Charleston, SC where he graduated from the College of Charleston with a BS in Business Administration. In 1996, William moved to South Florida where he began his career in public service. Since that time, William has proudly served, for close to a decade, as a federal law enforcement officer/criminal investigator. Most recently, William has spent approximately the last 9+ years working an examiner with the Securities and Exchange Commission. During which time, he earned the designation of Certified Fraud Examiner through the ACFE. Elected in November 2016, William will serve a two-year term, where he will proudly represent the residents of Biscayne Park.

A Special Election has been called by the Mayor and Commission of the Village of Biscayne Park, Florida, pursuant to Village Resolution 2017-02 adopted on January 19, 2017, to be held in the Village of Biscayne Park, from 7:00 a.m. until 7:00 p.m. on Tuesday, March 28, 2017, at which time the duly registered and qualified voters of the Village of Biscayne Park will elect one (1) Commissioner to fill a vacant seat.

The qualifying period to become a candidate in this Special Election begins on Monday, February 13, 2017 at 9:00 a.m. and ends on Tuesday, February 28, 2017 at 5:00 p.m. For more information on how to become a candidate visit biscayneparkfl.gov.

The Chamber's Green Day Committee, chaired by David Traupman and Fred Kaufmann, thought it would be appropriate to offer information on environmentally friendly programs and news throughout the year, in the *Egret*. At its' final meeting of 2016 held at Ferraro's Italian Kitchen, the title "Keeping it Green", was chosen, and so we will be featuring useful information throughout the year, not just around Green Day in October!

Did you know that Miami Shores residents kept 845 tons of material out of the local landfill by recycling? Reducing our waste stream also keeps down costs, which helps keep your taxes as low as possible. Although we know that paper, cardboard, plastic, metal cans, and glass containers are recyclable, you may not know that batteries, aerosol cans, and container lids are not.

View a complete list of eligible and ineligible items and learn more at www.miamishoresvillage.com/village-department/public-works/sanitation.

Or, contact Miami Shores Public Works Director Scott Davis at 305-795-2210 with your questions.

Thanks to your diligence Miami Shores has the highest level of recycling participation in Miami-Dade County!

Go to www.greendaymiamishores.com to download our "Green Guidelines" to help your business and home reduce waste and be more sustainable.

Stay tuned for details about October 2017's Green Day Street Fair and how you can get involved!

BISCAYNE PARK PARTNERS WITH PEREZ ART MUSEUM MIAMI INSIDE|OUT ART PROGRAM

This February, Pérez Art Museum Miami (PAMM) will kick off its second year of Inside|Out, a program funded by the John S. and James L. Knight Foundation which brings high-quality reproductions of art from the museum's permanent collection to the community. PAMM issued a call to participants to host this year's Inside|Out program and received 17 applications from communities all over Miami-Dade County. Six communities were chosen for this year's round of installations that will kick off this spring in Biscayne Park, Opa-Locka and Overtown. Over the summer, the reproductions will rotate to Little Haiti, North Miami Beach and Surfside.

From Fernando Botero to Edouard Duval-Carrié, 50 artists from PAMM's permanent collection will be featured in each round of Inside|Out nearly twice as many as last year. Exact locations of each reproduction will be featured on maps available at host locations and at pamm.org/insideout.

"Being Miami-Dade County's museum, it's important for us to engage the community in unique ways. Inside|Out brings a breath of fresh art to everyday life and fosters spontaneous interactions with art in the community," said PAMM Director Franklin Sirmans. "We're honored to participate in this innovative

program for the second year in a row and are excited to connect with each community in such an impactful way."

"There's something very powerful about seeing works of art in person. You become completely immersed. Inside|Out brings that experience to people, directly in their communities. And an amazing thing happens: entire neighborhoods, entire communities, start to talk about art," said Victoria Rogers, vice president for arts at Knight Foundation.

Miami is the fourth city to host Inside|Out, a program conceived by the Detroit Institute of Arts in 2010. It proved so successful in Detroit, the John S. and James L. Knight Foundation is providing \$2 million over three years to expand Inside|Out to communities across the country, including Philadelphia and Akron, Ohio.

And Biscayne Park, described by PAMM as a community known for its tree lined medians and log cabin, has been selected for ten works of art. A committee of Biscayne Park residents, including local art lovers, chaired by Village Manager Sharon Ragoonan, has been meeting to plot the locations for the art. Stay tuned!

? HISTORY CORNER

Each month, we feature a question or a photograph here from our Archives. The randomly drawn winner receives a \$25 gift certificate to an area Chamber member restaurant or retail establishment. The winner is drawn on the 15th of the month.

Last month we featured a photo from 1991. We asked you for his name and the name of the town he served as mayor. Our randomly drawn winner is Auta Davis of El Portal who, like so many others, fondly recalled former Mayor George Eckerd. Auta wins a \$25 gift card to Mr. Pasta in downtown Miami Shores. Congratulations!

This great old photo of former President Jimmy Carter visiting Miami Shores and Barry University, was taken in the last century.

But in what year?

Think you know the answer? E-mail us at chamber@miamishores.com or call the offices at 305-754-5466. Please be sure to tell us your name and phone number in case you are the winner!
