Celebrating 60 Years of Keeping Our Community Informed!

**PRESIDENT'S MESSAGE**

Gladys Coia, President, Greater Miami Shores Chamber of Commerce

March not only ushers in springtime in Miami Shores, but also a number of community events many of us look forward to.

To kick things off, there is the Village's annual Unity Day on Saturday, March 4th, being held 11:00 a.m to 4:00 p.m. This is a beloved community outdoor fair held on the recreation fields featuring lots of food, activities for the kids like zip lines, obstacle courses, bounce houses, and rides, as well as vendor and community organization booths. Visit the Village's website recreation page for more details.

On Saturday, March 11th, the Mayor's Savoir Affaire presented by the Miami Shores Community Alliance, will have us dining and dancing at the Miami Shores Country Club. Learn more and purchase your tickets online at [www.miamishoresalliance.com](http://www.miamishoresalliance.com).

And, last but certainly not least, our own Doctors Charter School will hold its annual fundraiser, an "Evening in the Courtyard: An Evening of Celts and Kilts" on Friday, March 24th. The food and drink at this party are always plentiful and eagerly anticipated and attracts hundreds of alums, parents, and community members looking to support our local high school. Be sure not to miss these fun and worthy events.

I look forward to seeing all of you!

(DCS) invites you to join them for their 11th Annual Evening in the Courtyard on Friday, March 24th. This year's live entertainment, "Celtic Mayhem" is always one of the lead performers at the South Florida Renaissance Festival, Boynton Beach Pirate Fest, and Camelot Days. In addition to witty and often humorous Irish folk tunes, they play a varied assortment of classic and pop rock songs – adding a crowd-pleasing mayhem twist to every performance. The event also will have gourmet food, a silent auction, and an all-around fun time with their Miami Shores friends, family and guests. Funds raised this year from Evening in the Courtyard will be earmarked by the PTSA and used directly for enhancing student activities and student programs. They want to give a big thank you to their "Honorary Founders Sponsor", North Shore Medical Center, for their gracious \$10,000 underwriting of the event. DCS also thanks Georgeé & Company Keller Williams Realty, and Paul and Liangy Calli for their Hawks Flight Sponsorships!

If you are interested in being an event sponsor or want to purchase tickets for Evening in the Courtyard, you can mail checks to DCS PTSA, 11301 NW 5th Avenue, Miami Shores, FL 33168, pay via PayPal at [doctorscharterschool.org](http://doctorscharterschool.org), or send them an email at [PTSA@Doctorscharterschool.org](mailto:PTSA@Doctorscharterschool.org) to make alternative payment arrangements.

## SCHOOLS REPORT *continued from page 6...*

a day looking into the future. Thinking boldly and outside the box we will tackle the question: How might we continue to maintain our current academic program and at the same time create a parallel program, a school within a school, with a curriculum that draws its inspiration from entrepreneurship and creativity?" Hear more from Dr. Zhao at <https://www.youtube.com/watch?v=NOXAJzqm2Rw>)

Zoe Terry, a fifth grader at Miami Country Day School and creator of the non-profit Zoe's Dolls, joined Zhao and Hunter. Zoe started Zoe's Dolls to deliver dolls to girls of color during the holiday season. She has since expanded her message to inspire girls of color around the world to celebrate their image. Zoe presented "Turn Impossible into I'm Possible" at TEDxYouth Miami (<https://www.youtube.com/watch?v=5LnDio8RdWQ>). In the spring, she will present at main stage TED Los Angeles.

**The Cushman School's** Director of Technology, Andrea Livingston, traveled to and presented at the Fujitsu headquarters in California this past January as part of the Fujitsu Educator Ambassador Program 2017. Cushman was one of approximately 15 schools in our country (many being universities) invited to attend because of its effective and creative use of technology within its curriculum. The "think tank" style forum included presentations from leading

companies, such as Microsoft, Fujitsu and Adobe.

The technology vendors will benefit from learning how the presenting schools incorporate technology in the classroom as well as the pro's and con's of today's pervasive technology as it relates to the educational landscape. It was a tremendous honor that Cushman was chosen because the school is highly regarded by Fujitsu as an important contributor to the conversation. Hats off to Cushman's impressive Tech Team for continuing to evolve the technology utilized on campus to keep pace with the marketplace its students will enter.

**Miami Shores Presbyterian Church School** (MSPCS) is proud to announce that their headmaster, Otis Wirth was selected by Step Up for Students as a recipient of their Rising Stars Award. The Rising Stars Award is presented to schools, teachers, and administrators who share a vision and interest in students that is in line with the values of what Step Up supports. This is a prestigious statewide award.

Step Up is an organization that helps public education fulfill the promise of equal opportunity, through scholarships for low income tax children and scholarships for students with certain special needs. MSPCS accepts Step Up, and many of their students are able to enroll in our school because of this valuable program. The students, teachers and

staff, and families at MSPCS are blessed to have such a strong and kind leader.

The Miami Shores community is invited to a reception for local student artists at Miami Country Day School's (MCDS) Sol Taplin Gallery on Thursday, April 6 from 6- 8 pm. Middle and high school student art from Miami Edison Senior High School, Horace Mann Middle School, The Cushman School, Doctors Charter School and Miami Country

Day School will be showcased at the week-long exhibition to be held from April 3-7.

Hosted by the **Community Learning Partnership of Greater Miami Shores** (CLP), the goal of the exhibition is to offer student artists an opportunity to display their art within the larger community and share resources between the CLP partner schools. Art teachers from these schools have been working on the project with Sue Edmiston and Jonina Pitchman (MCDS) to connect the schools and teachers through art. Since 2008, the CLP, a K-12 public, private school partnership with Barry University, has served as a catalyst for community engagement and quality education to benefit all members of our community.

To RSVP for the reception or for more information, please email [events@miamicountryday.org](mailto:events@miamicountryday.org) or call 305-779-7204. To find out more about the CLP, please go to their Facebook page at Community Learning Partnership of Miami Shores.

“Celtic Mayhem”

Doctors Charter School of Miami Shores invites you to join us for our 11<sup>th</sup> Annual Evening in the Courtyard. This year’s live entertainment, “Celtic Mayhem” is always one of the lead performers at the South Florida Renaissance Festival, Boynton Beach Pirate Fest, and Camelot Days. In addition to witty and often humorous Irish folk tunes, they play a varied assortment of classic and pop rock songs – adding a crowd-pleasing Mayhem twist to every performance. You can see their multiple videos on Youtube.

We also will have gourmet food, a silent auction, and an all-around fun time with our Miami Shores friends, family and guests. Funds raised this year from Evening in the Courtyard will be earmarked by the PTSA and used directly for enhancing student activities and student programs.

We want to give a big thank you to our **HONORARY FOUNDERS SPONSOR, North Shore Medical Center, for their gracious \$10,000 sponsorship for this wonderful event!**

Thank you as well to Georgeé & Company, and Paul and Liangy Calli for their Hawks Flight Sponsorships!

# PUBLIC ART TAKES FLIGHT IN MIAMI SHORES

The Fine Arts Commission created the nascent Art in Public Places program in 2009, with three village locations. The Britto Ball at the Aquatic Center is a permanent installation. Village Hall's lobby hosts a rotating exhibit each year and the Village Hall's North lawn location has a two-year exhibition cycle.

At the Village Hall, artist Luis Valle's devotion to our natural world and spiritual journey shows up in his choice of the Egret as the symbol of South Florida and Miami Shores Village's ascension to success. Our homes welcome egrets in our yards and the Chamber's monthly newsletter has fostered its affection.

Wynwood has crept even further northward to Miami Shores. Valle, a Wynwood Walls artist created the new, Art in Public Places mural on Village Hall's north lawn. Commissioned by Miami Shores Fine Arts board, and sponsored by a Miami Shores Community Alliance grant, the mural is installed for at least the next two years. Co-sponsors of the installation include ARCO Construction, Lester Jensen principal and the Fine Arts Board's annual budget.

Fine Arts Board members, Miryam Rojas, Creative Director, and Victor Bruce, local architect, volunteered their time and talents bringing this beautification to our village.

Miami Shores Fine Arts Commission is funded by the Village and applies for grants from Miami Shores Community Alliance and Unite Miami Shores. The Commission hosts three artist exhibits at Brockway Memorial Library and two outdoor concerts each year. For more information, please call Susan Ackley, 305-759-1812.

The Chamber's Green Day Committee thought it would be appropriate to offer information on environmentally-friendly programs and news year-round. "Keeping it Green" features useful information throughout the year, not just around Green Day in October!

Maybe you have wondered about all of the material that we recycle. What actually becomes of it? A February 14, 2017 article in the Daily Mail (UK) entitled "The Recycling Con" reported that 43% of items eligible for recycling, ended up in landfills. Similarly, CNN.com noted that 90% of plastic water bottles and 80% of plastic bags are not recycled. Quora.com put the amount of items we try to recycle, that actually end up in landfills instead, at 45%. So what can we do? One very important way that we can cut down on the number of items that we need to recycle, is to be mindful shoppers. For instance, could you pour juice into a washable sippy cup when you pack your kids' lunch, rather than buy juice boxes? How about buying laundry detergent or dishwasher detergent in cardboard boxes (biodegradable) rather than in plastic jugs? Could you fill up your sports bottle with filtered water from your fridge door rather than buy water in plastic bottles? We can purposefully cut down on the trash and recycling stream if we think before we buy!

# ? HISTORY CORNER

Each month, we feature a question or a photograph here from our Archives. The randomly drawn winner receives a \$25 gift certificate to an area Chamber member restaurant or retail establishment. The winner is drawn on the 15th of the month.

Last month we featured a photo of former President Jimmy Carter visiting Miami Shores and Barry University, taken in the last century. And we asked if you knew the year that the photo was taken. The correct answer was 1991. Our randomly drawn winner is Bob Swan of Miami Shores who wins a \$25 gift card to Proper Sausages in downtown Miami Shores.

*This month, we ask what now stands on the site of the Old Mexico Bar that once operated just north of Miami Shores on Biscayne Boulevard?*

Think you know the answer? E-mail us at [jessewalters@miamishores.com](mailto:jessewalters@miamishores.com) or call the offices at 305-754-5466. Please be sure to tell us your name and phone number in case you are the winner!
